EDUCATION[\[Back to TOC \]](#)

2022	Ph.D.	Environmental Studies	The University of Adelaide, South Australia
2017	MSS	Sociology	Shahjalal University of Science & Technology, Bangladesh
2014	BSS	Sociology	Shahjalal University of Science & Technology, Bangladesh

PROFESSIONAL APPOINTMENTS[\[Back to TOC \]](#)

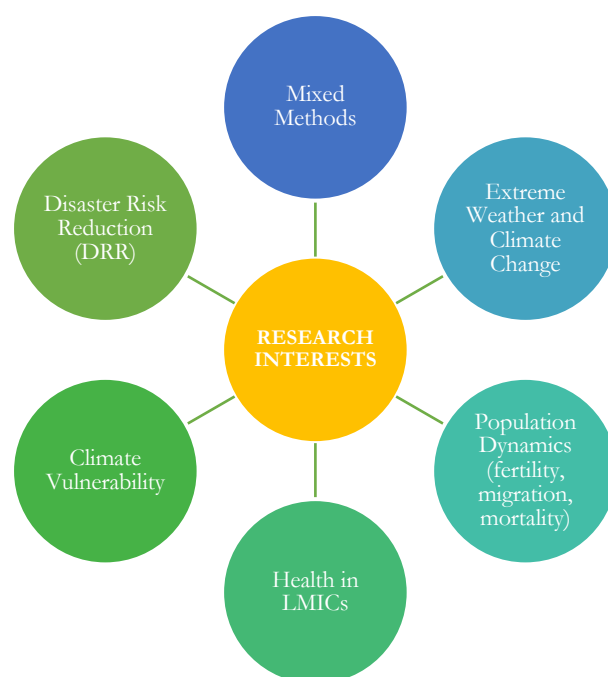

2026-Present	Interdisciplinary Postdoctoral Research Fellow, Ecologist Smithsonian Institution , Washington, DC		
2026-2029	IPCC Chapter Scientist (AR7, WG-II) Chapter 20: Poverty, livelihoods, mobility and fragility CLAs: Dr. Salisu Lawal Halliru and Dr. Benjamin Sovacool LAs: Natalie Dietrich Jones (Jamaica), Catalina Jaime (Colombia), Lily Salloum Lindegaard (USA), Amina Maharjan (Nepal), Celia McMichael (Australia), Ronald Ndesanjo (United Republic of Tanzania), Barbora Šedová (Slovakia), Iuli Didovets (Ukraine)		
2024 – 2025	Postdoctoral Research Fellow Building a Locally Informed and Sustainable Monitoring Platform Characterizing Vulnerabilities to Climate Risk: Climate, Health, and Environment Surveillance System for Bangladesh, Kenya, and Uganda (CHESS-BKU) School for Environment and Sustainability (SEAS) , University of Michigan		
2023 – 2024	Postdoctoral Research Fellow Bangladesh Environment and Migration Survey (BEMS) The Institute for the Study of International Migration Walsh School of Foreign Service, Georgetown University		
2017 – 2018	Research Associate Floating Houses: Community Based Flood Resilience Innovations in Bangladesh Centre for Climate Change and Environmental Research (C3ER) , BRAC University		

PROFESSIONAL SERVICE (EXTERNAL AFFILIATIONS)[\[Back to TOC \]](#)

- [Modelers and Experts, Mobility and Migration Model Intercomparison Project Hackathon.](#)
- Member, [Mixed Methods Program](#), University of Michigan (April 2025-present)
- Research Fellow in Environment and Climate Change
[South Asian Institute for Social Transformation \(SAIST\)](#), Dhaka, Bangladesh (January 2024 – Present)
- Member, [Center for Global Health Equity](#), University of Michigan (January 2025-present). Website: <https://globalhealthequity.umich.edu/membership/members/kjafor>
- Adjunct Research Fellow, [Bangladesh Institute of Social Research \(BISR\) Trust](#) (January 2025-present). Website: <https://bisrbd.org/adjunct.html>

20. Ahmed, K.J. (2025). Rethinking academia and research in a time of climate crisis. Presented at Webinar of Sociology Alumni Association of Shahjalal University of Science and Technology, Sylhet, 23 November 2025.
19. Rana, J.*, Dey, A., & Ahmed, K.J. (2025). Climate-related shocks associated with depression and anxiety in Bangladesh: Exploring geographical and socioeconomic inequalities. Oral presentation at Society for Epidemiologic Research Annual Meeting, Boston, Massachusetts, 10-13 June 2025. <https://epiresearch.org/wp-content/uploads/2025/06/Abstract-Book-0608.pdf>
18. Ahmed, K.J.*, Tan, Y., & Rudd, D. (2025). Women's fertility intentions and households' vulnerability to climate change: responses to cyclones and floods in Bangladesh. Presented a poster for the session 'Climate Change' at the IALE-North America Annual Meeting, Raleigh, NC, 14–16 April 2025.
17. Ahmed, K.J.*, Tan, Y., & Rudd, D. (2025). Women's fertility intentions and households' vulnerability to climate change: responses to cyclones and floods in Bangladesh. Presented a poster for the session 'Fertility, Family Planning, Sexual Behavior, and Reproductive Health' at the Population Association of America Conference, Washington DC, 10–13 April 2025.
16. Ahmed, K.J.*, Tan, Y., & Rudd, D. (2025). In what ways do women's fertility respond to extreme climate events in Bangladesh? An in-depth exploration. Accepted for an oral presentation for the session 'Health Issues from Environmental Exposure' to be presented at the American Association of Geographers (AAG) Conference, Detroit, 24–28 March 2025.
15. Ahmed, K.J.* (2025). Understanding climate-fertility links in low and middle income countries. Presented at Faculty Seminar Series, School for Environment and Sustainability, University of Michigan (January 31, 2025). DOI: <https://10.13140/RG.2.2.31626.17604>
14. Ahmed, K.J.* (2024). Climate, health, and vulnerability: Preliminary data from the Climate Shock Study in Kenya. Presented at Global Change Biology Mini-Symposium, Institute for Global Change Biology, University of Michigan (November 14, 2024).
13. Ahmed, K.J.* (2024). Climate impacts and societal concern: Exploring migration and fertility in the context of Open Science. Presented at NASA SEDAC OPEN SCIENCE Workshop (January 9, 2024), Columbia University, New York. DOI: <https://zenodo.org/records/10523525>; YouTube: https://www.youtube.com/watch?v=apinEk9PM_4
12. Ahmed, K.J.*, Haq, S.M.A., and Hyder, B. (2023). Migration decisions as an adaptation in the context of an extreme weather event in Bangladesh: a comparative study on migrant and non-migrant households. Presented at ICARUS VI workshop (Sep 29-Oct 1, 2023), organized by the School for Environment And Sustainability (SEAS) at the University of Michigan.
11. Islam, M.N., Haq, S.M.A, Ahmed, K.J., & Best, J.* (2023). The Haor Wetlands, Meghna River Basin, NE Bangladesh: anthropogenic stresses, sedimentation & human adaptation. Presented at the International Conference on Fluvial Sedimentology, 2 - 7 July 2023, at Riva del Garda, Italy.
10. Ahmed, K.J.*, Tan, Y., & Rudd, D. (2022). Climate extremes and women's fertility intentions: A comparative study in two areas hit by cyclones and floods in Bangladesh. Accepted for an oral presentation for the session 'Fertility Intentions and Plans in Context' to be presented at the Population Association of America Conference, 6–9 April 2022.
9. Ahmed, K.J.*, Tan, Y., & Rudd, D. (2021). Do the experiences and perceptions of climatic disasters influence the fertility outcomes and intentions of women of reproductive ages in Bangladesh? Presented at the Asian Population Association Conference, 3–5 August 2021.
8. Ahmed, K.J.*, Tan, Y., & Rudd, D. (2021). How do the households' vulnerability to climate-induced disasters influence women's fertility outcomes and fertility intentions in Bangladesh? Presented at the International Population Conference of IUSSP, 5–10 December 2021.
7. Haq, S.M.A.*, Chowdhury, M.A.B., Ahmed, K.J., & Uddin, M.J. (2021). What matters for fertility in Bangladesh: natural disasters or mortality differentials, or both? Presented at the International Population Conference of IUSSP, 5–10 December 2021.
6. Ahmed, K.J., & Haq, S.M.A.* (2018). How does the perceived risk of child mortality influence fertility preference? A comparative study in Bangladesh. Conference of the Population Association of America in Denver, Colorado from 26-28 April 2018.

5. Ahmed, K.J.*, & Haq, S.M.A. (2017). Nexus between extreme weather events, marriage and violence: a study on vulnerable areas of Bangladesh. The 28th International Population Conference of the International Union for the Scientific Study of Population (IUSSP) in Cape Town, South Africa, from 29 October-3 November 2017.
4. Ahmed, K.J.*, & Haq, S.M.A. (2017). Is fertility preference related to the perception of risk of infant dying, landholding and family type? A comparative study on vulnerable populations to extreme weather events in Bangladesh. The 28th International Population Conference of the International Union for the Scientific Study of Population (IUSSP) in Cape Town, South Africa, from 29 October-3 November 2017.
3. Ahmed, K.J.*, & Haq, S.M.A. (2016). Is poverty and sexual harassment during extreme weather events a matter for early marriage in vulnerable areas (Bangladesh)? International Conference on Population, Health, Environment and Sustainable Development: Issues and Challenges (PHESD2016) at Rajshahi University, Bangladesh, from 17-18 December 2016.
2. Haq, S.M.A., & Ahmed, K.J.* (2016). Variations of socio-demographic dimensions and the perception of climate change in vulnerable areas (Bangladesh). International Conference on Population, Health, Environment and Sustainable Development: Issues and Challenges (PHESD2016) at Rajshahi University, Bangladesh, from 17-18 December 2016.
1. Ahmed, K.J.*, & Haq, S.M.A. (2016). Early marriage to cope with poverty: a study on vulnerable areas in Bangladesh. First Bangladesh Planning Research Conference in Jahangirnagar University, Bangladesh, from 5-6 February 2016.

CONFERENCE CHAIR, CONVENER AND DISCUSSANT

[\[Back to TOC \]](#)

- 2025 Convener, “Modern approaches to monitor, model and reduce environmental exposure: Applications for global community preparedness, policy, and public health improvement”, at the American Geophysical Union Meeting, New Orleans, LA, 15-19 December 2025.
- 2025 Chair, “New insights into the U.S. health disadvantage: Changing context, evolving trends”, at the Population Association of America Conference, Washington DC, 10–13 April 2025.

HONORS, FELLOWSHIPS, AWARDS

[\[Back to TOC \]](#)

- 2025 Training Bootcamp Award, Data and AI Intensive Research with Rigor and Reproducibility (DAIR3) Program, June 16-21, 2025, at the University of Texas San Antonio (UTSA) in San Antonio, Texas
- 2025 NASA-Michigan State University (MSU) Professional Enhancement Award
- 2025 University of Michigan Postdoctoral Association (UMPDA) Conference Award
- 2025 University of Michigan Postdoctoral Association (UMPDA) Professional Development Award
- 2024 Provost Post-Doctoral ICPSR Summer Program Fellowship, ICPSR Summer Program in Quantitative Methods at the University of Michigan
- 2024 NASA SEDAC Open Science Workshop Travel Award, Columbia University
- 2023 Workshop Travel Award, ICARUS VI workshop at School for Environment And Sustainability (SEAS), University of Michigan
- 2022 Conference Travel Award, Department of Geography, Environment and Population, The University of Adelaide
- 2021 Conference Travel Award, Department of Geography, Environment and Population, The University of Adelaide
- 2021 Charles and Frank Fenner Grant, Department of Geography, Environment and Population, The University of Adelaide
- 2019 Charles and Frank Fenner Grant, Department of Geography, Environment and Population, The University of Adelaide
- 2019 PhD fieldwork Funding, Department of Geography, Environment and Population, The University of Adelaide
- 2018 Beacon of Enlightenment Doctor of Philosophy (PhD) Scholarship, The University of Adelaide
- 2017 Travel Award, 28th International Population Conference of the International Union for the Scientific Study of Population (IUSSP) in Cape Town, South Africa

TEACHING AND MENTORING EXPERIENCE[\[Back to TOC \]](#)

- 2025 Guest lecture, Systematic literature review, meta-analysis, and bibliometric analysis: Methods & applications, Department of Sociology, Shahjalal University of Science and Technology
- 2025 Guest lecture, Social Measurement and Statistical Analysis (SOC-526), graduate level, Department of Sociology, Shahjalal University of Science and Technology
- 2024 Mentor, Center for Global Health Equity (CGHE) Graduate Student Research Internship and Training Program 2024. For my project on 'Climate Change and Environmental Health Risk in Bangladesh', School for Environment and Sustainability, University of Michigan
- 2023 Guest lecture, Environmental Displacement and Migration (ISIM-5571), graduate level, Walsh School of Foreign Service, Institute for the Study of International Migration (ISIM), Georgetown University
- 2023 Guest lecture, Social Measurement and Statistical Analysis (SOC-526), graduate level, Department of Sociology, Shahjalal University of Science and Technology
- 2022 Guest lecture, Social Measurement and Statistical Analysis (SOC-526), graduate level, Department of Sociology, Shahjalal University of Science and Technology
- 2020 Guest lecture, Population and Environment (SOC-515), graduate level, Department of Sociology, Shahjalal University of Science and Technology

PROFESSIONAL DEVELOPMENT[\[Back to TOC \]](#)**Grant Writing**[\[Back to TOC \]](#)

- 2024 Getting Started Writing Successful Grant Proposals Seminar, by Dr. John Robertson, Grant Writers' Seminars and Workshops, the Michigan Institute for Data Science (MIDAS), April 2, 2024

Research Ethics and Compliance (Certifications and Training)[\[Back to TOC \]](#)

- 2025 CITI Program Certifications
University of Michigan
 - Biomedical Human Subjects Researchers - Basic, Stage 2 - Refresher Course, Passed: 02/16/2025 (Expired on: 02/16/2028)
 - Biomedical Responsible Conduct of Research, Stage 1 - RCR, Passed: 02/16/2025
 - Good Clinical Practice, Stage 1 - Basic Course, Passed: 02/16/2025 (Expired on: 02/16/2028)
 - Humanities Responsible Conduct of Research, Stage 1 - RCR, Passed: 02/16/2025
 - Responsible Conduct of Research for Administrators, Stage 1 - Basic Course, Passed: 02/16/2025
 - Social and Behavioral Responsible Conduct of Research, Stage 1 - RCR, Passed: 02/16/2025
 - Social-Behavioral Human Subjects - Supplemental, Stage 1 - Basic Course, Passed: 02/16/2025 (Expired on: 02/16/2028)
 - Social-Behavioral Human Subjects Researchers - Basic, Stage 2 - Refresher Course, Passed: 02/13/2025 (Expired on: 02/13/2028)
- 2024 Program for the Education and Evaluation of Responsible Research and Scholarship (PEERS)
University of Michigan
Completed on: 03/27/2024 (Expired on: 03/27/2027)

Certifications[\[Back to TOC \]](#)

- 2024 Africa Climate and Health Responders Course, Global Consortium on Climate and Health Education (GCCHE), ASPHA, CDC-Africa, WHO AFRO, Project ECHO, CHANCE
- 2024 Oath for Sustainability Network (OFSN), Climate and Health Research Lab
- 2024 Spatial Econometrics: Empirical Analysis of Geospatial Association and Cross-Unit Interdependence, Inter-University Consortium for Political and Social Research (ICPSR), University of Michigan

JOURNAL EDITOR & REVIEWER[\[Back to TOC \]](#)

- Associate Editor: [Journal of Population Research](#)
- Editorial Board Member: [Discover Social Science and Health](#)
 - Guest Editor of Collection: [Climate Shocks, Health, and Demographic Change in LMICs](#)
- Associate Editor: [Frontiers in Human Dynamics](#)
- Guest Editor: PLOS ONE

- Reviewer of journal manuscripts: Communications Medicine; Natural Hazards Research; Population and Environment; Applied Geography; Climate Risk Management; Local Environment; Scientific Reports; BMJ Open; Reproductive Health; Discover Public Health; BMC Health Services Research; Environment, Development and Sustainability; Climatic Change; Springer Nature Applied Sciences; PLOS Climate; The Social Science Journal; and International Journal of Women's Health

EXTRACURRICULAR ACTIVITIES

[[Back to TOC](#)]

- Co-Chair, [Georgetown University Postdoctoral Association \(GUPDA\)](#), 2023-2024
- Postgraduate sub-committee representative: Faculty of Arts, The University of Adelaide, March 2019-March 2020.
- NewsHour Media Publications as a Freelance Author:
 - 2023 Inhabitants of Gabura union plead for resilience, not relief, against devastating cyclones. 9 October 2023. URL: <https://newshour.media/2023/10/09/inhabitants-of-gabura-union-plead-for-resilience-not-relief-against-devastating-cyclones/>
 - 2023 Uneven geographical distribution in fertility, child mortality, and contraceptive use in Bangladesh: the role of integrating disaster risk reduction and family planning programs. 20 June 2023. [Population-Environment Research Network \(PERN\)](#): December 2023-December 2027

PROFESSIONAL MEMBERSHIP

[[Back to TOC](#)]

- American Association of Geographers (AAG) • The New York Academy of Sciences (NYAS) • National Center for Faculty Development and Diversity (NCFDD) • National Postdoctoral Association (NPA) • International Union for the Scientific Study of Population (IUSSP) • International Society of Biometeorology • Regional Studies Association (RSA) • Population Association of America (PAA) • Asian Population Association (APA)

SOFTWARE SKILLS AND CERTIFICATIONS

[[Back to TOC](#)]

Qualitative Research Tools

[[Back to TOC](#)]

- Software Skills: NVivo, Netica

Survey Tools

[[Back to TOC](#)]

- Software Skills: Open Data Kit (ODK)

Data Visualization

[[Back to TOC](#)]

- Cleaning, Transforming and Prepping Your Data With Tableau Prep (Skills: Tableau)
- Data Analytics: Dashboards vs. Data Stories (Skills: Data Analytics)
- Data Visualization Tips and Tricks (Skills: Data Visualization)
- Data Visualization for Data Analysis and Analytics (Skills: Data Visualization, Data Analysis)
- Data Visualization: Best Practices (Skills: Data Visualization)
- Data Visualizations with Plotly (Skills: Plotly, Data Visualization)
- Excel Data Visualization: Mastering 20+ Charts and Graphs (Skills: Microsoft Excel, Data Visualization)
- PowerPoint Data Visualization: High-Impact Charts and Graphs (Skills: Microsoft PowerPoint, Data Visualization)

- Software Skills: Tableau, Plotly, Microsoft Excel, Microsoft PowerPoint

Statistical Tools and Programming[\[Back to TOC \]](#)

- Introduction to R, Inter-University Consortium for Political and Social Research (Skills: R Programming Language)
- R Essential Training Part 2: Modeling Data (Skills: R Programming Language, Data Modeling)
- R for Data Science: Analysis and Visualization (Skills: R Programming Language)
- SAS Programming for R Users, Part 1 (Skills: SAS Software, R Programming Language)
- SAS® 9.4 Cert Prep: Part 01 SAS Programming Essentials (Skills: SAS Programming Language)
- SAS® 9.4 Cert Prep: Part 02 Accessing Data (Skills: SAS Software, Database Queries)
- Software Skills: STATA, R, SPSS, SAS

Geospatial Analysis[\[Back to TOC \]](#)

- Spatial Econometrics: Empirical Analysis of Geospatial Association and Cross-Unit Interdependence, ICPSR Summer Program (Skills: Spatial Analysis, GIS)
- Software Skills: QGIS, Google Earth Engine

Machine Learning and Artificial Intelligence[\[Back to TOC \]](#)

- Artificial Intelligence Foundations: Thinking Machines (Skills: Machine Learning, Artificial Intelligence)
- Deep Learning Foundations: Natural Language Processing with TensorFlow (Skills: NLP, Deep Learning, TensorFlow)
- Machine Learning with Python: Foundations (Skills: Machine Learning, Python)
- Hands-On PyTorch Machine Learning (Skills: Machine Learning, PyTorch)
- Software Skills: Python, TensorFlow, PyTorch

ADVISING[\[Back to TOC \]](#)**Graduate Student Research Internship and Training**

Mrs Bushra Kawser, MPH, BDS, Center for Global Health Equity, University of Michigan (2024)
